## **CONDITIONS FOR THE TRANSHIPMENT OF ANIMALS & BIRDS**

1. Each consignment of animals or birds for transshipment may be inspected or sampled by the Agri-food and Veterinary Authority (AVA) officer at the inspection station.
2. For commercial consignment that is not approved by the AVA for transshipment, prior approval from AVA must be obtained before any application for the permit can be made. Application must be in writing and information on the source and detail of each commercial consignment must be submitted to the AVA for consideration.
3. For CITES listed animals or birds, CITES permits should be submitted for AVA's consideration.
4. For transshipment of dog or cat, a copy of a valid rabies vaccination record needs to be submitted along with the application. Original veterinary health certificate must accompany any consignment of animals or birds, which is transhipped through Singapore.
5. Changi Animal and Plant Quarantine (CAPQ) must be informed of any transshipment, which transits more than 4 hours at Changi Airport.
6. For inquiries, regarding application of permits, please contact Regulatory Services Branch at tel: 227 0670 or fax: 227 6305.
7. For inquiries, regarding inspection procedures or clearance of consignment at the Changi Airport, please contact Changi Animal and Plant Quarantine (CAPQ) at tel: 545 7522.
8. The AVA has the right to amend existing conditions and/or impose further conditions as and when it deems necessary.
